THE LONG TABLE

WWW.LONGTABLEONLINE.COM

The Long Table is part of the Grace Network, a social enterprise based out of Stroud. Bringing people together with food, and running a bakery, kitchen, shop and a dining space where home cooked, nutritious meals are provided.

The Long Table work with local food banks, churches, schools and statutory agencies finding who needs and wants meals. Those who can pay do and those who can't receive them free. We are calling the county-wide project Feeding the 5000.

Feeding the 5,000 is already operating in Stroud, Cheltenham and Gloucester. Actively looking to move into other places as the opportunity and invitation arise.

Who

This collaboration is being led by the The Long Table, the Bishop of Gloucester and The Gloucester Diocesan Board of Finance.

We are already partnering with community based kitchens such as The Clean Plate (Gloucester), Roots Café (Gloucester), The Sober Parrot (Cheltenham) and many more who been inspired to help feed the people in their area.

Help us spread the word so that we can help even more people in need. Tell your friends and follow us on social media.
