

Notice of Dispensation

Chapter 7 of the Localism Act 2011 and the Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012

I, Bhavna Patel, Monitoring Officer to Forest of Dean District Council, having considered the request from Newent Town Council for the members listed below to grant a dispensation from the above regulations to allow them to debate and vote on matters considered by the Council which would require a whole Council exemption including budget and precept setting from the date of this decision notice (13 January 2020) until the day prior to the next local elections in May 2023, agree to grant the dispensation for the members because it is:

- In the interests of persons living in the area; and
- Otherwise appropriate to grant such a dispensation where councillors are required to decide on whole council matters in which they might, otherwise be said to have a disclosable pecuniary interest
