

Fire risk assessment quotations for community pavilion agenda item 7

Once the New Community pavilion at the recreation Ground is complete, a fire risk assessment is required prior to the building being used.

Due to the Recreation Ground Trusts financial position they requested Newent Town Council appointed a contractor and covered the expenditure to undertake the assessment to allow the building to be used.

The three quotations for a fire risk assessment are as follows:

Acorn safety services

£399.00 + VAT.

Peninsula

£595.00 + VAT for fire risk assessment plus

£53.00 + VAT per month to add on the new site.

Fire safety & compliance LTD

£500

Proposal

To appoint acorn safety services @ £399.00 + VAT to undertake the fire Risk assessment on the pavilion at their earliest convenience.
