

## **Agenda item 7.2 and 7.3**

### **Costings for cherry picker and consumables**

#### **Cherry picker hire**

Ermin plant have very kindly agreed a 50% discount on the hire off the cherry picker for a week to put up and a week to take back down as long as we give them some advertisement. The cost of the cherry picker to put up and take down the lights will be £611.00 +VAT.

#### Proposal

To agree the expenditure of £611.00 + VAT for hire of the cherry picker to install and take down Christmas lights.

#### **Consumables**

To enable us to purchase cable ties, replacement jubilee clips, any replacement or new plugs and cabling also cover the cost of the diesel we will need a £200 consumables budget.

#### Proposal

To agree a maximum of £200 for consumables.
