## Staff Changes

We are pleased to announce that the new Town Clerk is now in post. Neil Sapsed (pictured below) started his new position on 1<sup>st</sup> July, having previously been employed as the Council's Estate Supervisor for the past 8 years. This experience and knowledge of the Town Council will greatly help Neil carry out his new duties and responsibilities in his lead role.

Neil said "Whilst there will undoubtedly be some challenges ahead, I am looking forward to progressing the Council's day to day activities and aiding the Council in implementing longer term projects".

We are also pleased to announce that Steve is the new (temporary) Estate Supervisor and Charlie has joined the team as a full-time Admin Assistant.

## Two New Town Councillors – More Wanted!

Two new Councillors have recently been co-opted onto the Council: Councillors Alan Hedley and Joshua Robertson. Their contact emails are given at the end of this newsletter.

This means that there are now 8 Members/Councillors on the Town Council.

**We are, however, still looking for a further 5 Councillors to join the Council; please do contact the Town Clerk if you are interested.**

**New Town Councillors Wanted**

Your Town Needs You

Do you care about Newent and the issues it faces?  
Would you like to play an acting part in it's future?

If so we'd like to hear from you

There are currently 5 vacancies for Co-Opted Council Members

For further information about these voluntary roles, eligibility criteria, and how to apply, please get in touch with the Town Clerk on

## Newent Community Building Construction Progress Update

We're thrilled to share the latest progress on our highly anticipated Newent Community Building project. Construction is well underway, and we're happy to report that everything is proceeding smoothly and according to plan.

The dedicated team of builders and architects has been working diligently to bring this vision to life, and we couldn't be more pleased with the results so far. As construction progresses, we're excitedly anticipating the completion of this fantastic Community Building.

If you have any enquiries about the building or are interested in booking the venue on a regular basis, please email Charlie at [adminasst@newenttowncouncil.gov.uk](mailto:adminasst@newenttowncouncil.gov.uk)

## A Floral Town

The Estates team has been busy assisting Chamberlain Plant Centre with new bedding plants in the town – some of these planters shown below:

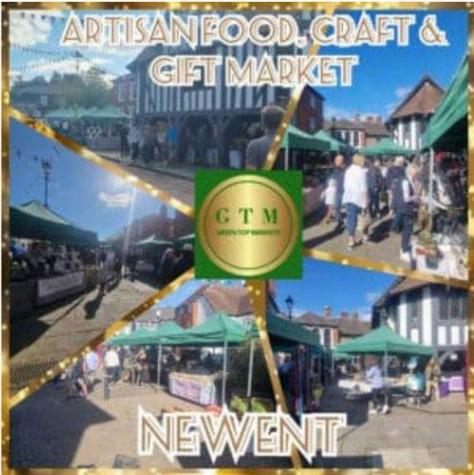

## Newent Artisan Market

The Artisan Market is a welcome feature in the town and following postponement due to the Market House refurbishments, is again scheduled to be held on the 3rd Saturday of each month from 10am to 2pm.

## Newent Artisan Market

Starting 15th July  
10 am - 2 pm  
Market Square

Continuing every 3rd Saturday of the month

The planned re-start on 15th July unfortunately did not happen, as the operator had to cancel due to inclement weather being forecast. However, all being well, the Artisan Market will recommence on 17<sup>th</sup> August.

## Newent Lake – Sculpture Trail

Visitors to the lake area can now see two new arrivals – a wooden fox and a beetle:

These sculptures are in addition to the existing ones around the Lake; the sculptures having been carved by internationally acclaimed sculptor Daniel Cordell.

## Newent Lake - Aerator

Pictured above is the new aerator at the Lake, which is switched on during hot weather, to maintain oxygen levels. This aerator was obtained using Environment Agency funding.

## Coldcroft Shires Charity fundraiser

Despite her accident a few weeks ago, Shire Horse Millie managed to attend the Journey's End event on Friday 14<sup>th</sup> July at Newent Lake, together with four miniature Shetlands.

The charity event raised funds for Royal Air Forces Association, the Samaritans, and Police Care UK.

Dignitaries attended the finale with other guests and local residents.

The fundraising organiser, Jamie from Coldcroft Shires, highlighted that:

“We are very grateful to Newent Town Council for all the help and support for today's event. The rain was not helpful but all who turned up seemed to enjoy themselves. The cider proved very popular! Thank you so much!”

## Seeking Community Members to Participate in a Commercial Vehicle Watch Pilot Project

Gloucestershire Constabulary is currently delivering a project called Commercial Vehicle Watch which will run until the end of December 2023.

Coordination of this is being conducted through the Gloucestershire Road Safety Partnership but the Project is led by Superintendent Paul Keasey, Director of Specialist Operations, Gloucestershire Constabulary.

This activity is part of the Department for Transport's National Roads Policing Review which is about making road use safer, more efficient and more secure.

The key objective of the Commercial Vehicle Watch project is to explore the benefits of involving communities (i.e. residents) in providing information to help the agencies who are members of the Road Safety Partnership better understand your concerns around offending or inconsiderate commercial vehicle use.

By commercial vehicles, we mean lorries and vans clearly being used for commercial activities such as making deliveries or providing services (e.g. tradespersons). For the purpose of this project, this is not about privately owned vehicles.

By offending or inconsiderate commercial vehicle use, we mean things such as:

- Speeding.
- Inconsiderate parking (e.g. blocking pavements or road access).
- Vehicles contravening height, width, or weight restrictions.
- 'Fly tipping'.
- Dangerous, careless or inconsiderate driving.

As part of this project, early engagement with people such as yourselves indicates that there are concerns around these types of incident within your community. This is why your area has been selected for the pilot phase of the project.

We have built an App to create a straightforward and easy way to report such incidents via your mobile phone. Details of how to obtain the App and how it works are provided later in this document, but this is a free facility that will be available to anyone who lives in Gloucestershire and who wants to be part of this pilot. All you need to do to participate in the pilot is have a mobile phone (Apple or Android), understand what the pilot is seeking to achieve and be willing to participate. The pilot (recording of information regarding these issues) will run from now until the end of October 2023 and is designed specifically to gauge how useful you find the App and to help provide a richer understanding to members of the Gloucestershire Road Safety Partnership about the issues of greatest community concern.

The information provided by community trial participants will be regularly reviewed and discussed by the Project Team. It will greatly assist in understanding where to provide resources to tackle the problems raised and whether there is a community desire for the App to be expanded to cater for other road related issues that you would like to raise.

As such, it is important to state that for the purpose of the pilot, we are not seeking to resolve the issues that you raise. This is all about developing a better understanding of the scale of community concern and the usefulness of the App as an effective means to provide information into the agencies that are members of the Road Safety Partnership. This will prove extremely helpful in ensuring that the right investments are made to resource the areas of road safety that are of greatest demand from Gloucestershire community residents.

The App is available to download onto either an Apple or Android mobile phone device and can be obtained for free through the relevant App store. Search for the Community Matters App with the following logo:
